

Locating Courses and Programs information

Activity 7

The purpose of **Activity 7** is to increase your awareness of the Courses and Programs information available in **myfuture**, and some of the elements you will need to consider when choosing a course.

You will need to:

- Go to **The Facts > Education and Training**
- Click on **Courses and Programs**.
- From **Browse** select **By Industry**.
- Select **Community Broadcasting**.
- Select **Advanced Diploma of Entertainment**.
- Read the information about the course and answer the questions below.

1. Which provider(s) offers the course?

2. What study fields relate to the course?

3. What is the minimum standard entry requirement?

To find out more about a course of interest to you:

- Return to **The Facts > Education and Training**
- Click on **Courses and Programs**.
- Browse through the alphabetical list in **Courses and Programs** and find a course you would like to research.

Name the course you have chosen to research.

4. How long does the course take to complete?

5. Which providers offer the course?

6. List some occupations available to people who have undertaken the course.

7. What are the minimum standard entry requirements?
